## How to Outsmart an Embezzler

**David G. Harris, CFE, CPA, CMA, CFF, MBA**

*In 1989, David Harris founded Prosperident, the world's largest firm investigating financial crimes against dentists, after what could only be called "a happy twist of fate." David is a licensed private investigator with a graduate degree in applied mathematics and a CPA designation. He is "dual certified" in fraud investigation, possessing both the Certified Fraud Examiner and the Certified in Financial Forensics designations.*

Dentistry's Embezzlement Expert, David Harris, will provide an inside look into the world of embezzlement that is not available anywhere else. Using real-life embezzlements as teaching tools, David will treat this difficult topic in a way that is both informative and entertaining.
