The Omaha District Dental Society invites you to

Prescription Opioid Crisis

on **Tuesday, April 12** from **6-9 pm** at the **Creighton University - Harper Center**

Substance Use Disorder (SUD) continues to be a major cause of drug overdose deaths in the US. Learn the state and federal regulations addressing SUD and how the Prescription Drug Monitoring Program (PDMP) is used as an important tool for dentists.

LEARNING OBJECTIVES

1. Discuss state and federal policy and legislation.
2. Explain the PDMP
3. Demonstrate the use of the Nebraska PDMP and its benefits within the dental practice.
4. Review current guidelines for opioid prescribing.
5. Discuss expert practice prescribing recommendations

LB 778 requires all dentists who prescribe opioids or Schedule II drugs to take at least three hours of continuing education biennially regarding prescribing opiates. The continuing education may include but is not limited to, education regarding prescribing and administering opiates, the risks and indicators regarding development of addiction to opiates, and emergency opiate situations. One-half hour of the three hours of continuing education must cover the PDMP.
